

SCHOOL FENCING

OUR PROCESS:

1. Contact us to discuss your scope and timeframes.
2. A quote and drawings will be prepared & once accepted the job will be booked in.
3. Installation begins. You will be updated on progress and expected finish date.
4. Project is completed and site is cleaned & in working order.

SCHOOLS WE'VE WORKED WITH

We specialise in fencing for both Public and Independent Schools. We've worked with over 50 schools in South East Queensland including All Hallows, Caboolture Special School, Pine Rivers State High, St Bernards Catholic Primary School, Aviation High and more.

DETE SPECIFICATIONS FOR STEEL SECURITY FENCING

DETE SPEC

We supply and install DETE spec fencing, which means it complies with the Education Queensland Departments specifications.

COMMON CONFIGURATIONS

- 2.1 metre high black spear top security fences and gates,
- 1.8 metre or 2.1 metre Chainwire fences and gates,
- 1.2 metre high aluminium or steel fences and gates.
- We also install Chainwire, Aluminium and Colorbond Fencing based on individual requirements.
- The gates are either swinging or sliding, & can be installed with or without a motor.

	Spacings between pickets	Coating	Notes
DETE Spec Fence	100mm gap (125mm centres)	Power coated galvanised steel construction with Z275 coating. This zinc coating reduces corrosion over the long term and is specced for State Government fence.	Most popular in Schools.
Prep Spec DETE Fence	90mm gap (115mm centres)		Most popular in Kindergartens.
Standard <u>Steel Security Fence</u>	115mm gap (140mm centres)	Powder Coated Galvanised Steel Construction.	Unlikely to use in a School setting.
